Subject: Government Funds

FROM:

NAME: Carol Robertson
ADDRESS: 185 Skyline Drive
clinton, MS 39056

Governor Musgrove:

Is Mississippi currently running surplus or deficit funds? I heard a rumor that you are wanting to impose an additional tax on gasoline to further fund education. If this is so, what has happened to all the additional tax revenues that have been received over the last number of years that we were not able to rely on in the past. It seems that statewide gambling has probably produced twice the tax dollars than what was originally projected. We also have received pretty large sums of tobacco settlement money. Where has all the money gone?

Sincerely,
Carol Robertson
